WORK EXPERIENCE

- **Air Macau Airline** | Passenger Sales / Reservation & Ticketing Assistant | 2024 - 2025
 - Data Reporting: Prepared weekly sales reports and aviation updates to support strategic decision-making.
 - Stakeholder Coordination: Liaised with travel agents and internal marketing departments to align promotional efforts.
 - Process Efficiency: Managed ticketing services and real-time flight changes, ensuring seamless communication with passengers.
 - Performance Growth: Executed online media plans resulting in a 72% increase in Line Official followers and 10% on Facebook.
- **EVEANDBOY Company Limited (Internship)** | UX/UI Designer & Content Creator | 2022 - 2023
 - System Analysis: Designed UX/UI interfaces using user-centered analysis to enhance application usability.
 - Digital Content: Planned and created targeted website content to improve user engagement and marketing reach.
- **Capstone Project:**
The development of a public relations system to promote the hire - purchase business of aquatic extreme sports.

Developed a comprehensive digital ecosystem designed to centralize the extreme sports community and support local businesses through digitalization. The platform focuses on three core functional pillars:

 - Knowledge & Engagement Hub: Created an interactive community forum for expert knowledge sharing, peer-to-peer support, and experience exchange to enhance user engagement.
 - Business Directory & PR Platform: Engineered a centralized database of extreme sports retailers and rental services nationwide, serving as a PR tool to increase market visibility for local entrepreneurs.
 - Instructional Resource Center: Integrated a structured educational module providing standardized safety guidelines and technical tutorials for various extreme sports.
- **GUEST SPEAKER & LEADERSHIP**
 - Guest Speaker (2025): "Unlock Your Leadership" – Delivered insights on personal branding and leadership presence to student leaders.
 - Guest Speaker (2024): "Personal Development for Digital Innovation" – Conducted workshops for 30+ students on professional behavior and innovation management.
 - Professional MC: Served as a Master of Ceremonies for university-level events, demonstrating advanced public speaking and facilitation skills.

EDUCATION

- **Suan Sunandha Rajabhat University** | Faculty of Science and Technology Department of Information Science | 2019 - 2023
 - Major: Management Information Systems (MIS).
 - Relevant Coursework: Data Analytics, Business Intelligence, Database Management Systems.
